

and immediately alighted. Angerenn did the sume, and i (jordinllv embnuted HI the. presenee of tin* Commissioners. was remarked that in saluting Napoleon took oil* his hat j Augereau kept on his. "Whore are von going".¹¹ said Emperor; "to Court ? ' > - ~ i% No, I am g«»ing to Lyons.'⁴⁴ You have behaved very badly to me."¹ Augerean, find that the Emperor addressed hint in the sreond person sin lar, adopted the same* familiarity, so the} ' eonversed as tl were at'eustomed to do when they were both generals in it; "Of what do you complain?" said lie. " Has not y insatiable ambition brought us to this ? Have you not «a iiced everything to that ambition, even the happiness France? I can* no more for the Uourbons than fur yon, I care for is the country." rpon this Na..oleon turned shar away from the, Marshal, lifted his hat to him, and then step] into his carnage. The Commissioners, and all the persons Napoleon's suite*, were indignant at seeing Augerean Miami the road still covered, with his hands behind his bark, n instead of bowing, merely making a contemptuous sal u tat to Napoleon with bin hand. It was at the Tuileries thatth haughty Uepubliceans should have showit their aim. To h; done so on the road to Elba wa?* a mean insult whieh reeoit upon themselves.¹
